Presidents Welcome – Carrissa Bellottie

Hello and welcome to Season 2024

Firstly, I would like to introduce you to the Team behind the scenes – The GNFL Board. Vanessa Halliday remains the Vice President. Other members of the board include – Daniel Tyler, Russell Banks, Grant Russell, Steve Pratt, Robert Bennett and Selina Kiddle. I would also like to acknowledge Joanne Starling as our Operations Manager and Grady Tomelty for the support that he provides through his role with the CFWA.

We look forward to returning to the Nutrien Ag Country Week Champs competition again this year in July and have nominated a League, Colts and Women's side to represent the GNFL. Colts and League will head down in July and the Women in October. Our campaign for Country week has already commenced with the preseason kick off, of the Country Week All Stars game a couple of weeks ago at Wonthella Oval. Best of luck to Coaches Leith Teakle (League), Jason Graham (Colts) and Nathan Johansen (Women's) and their support staff. I would also like to acknowledge our team of trainers that head down to support all 3 teams, thanks in advance.

Thank you to all previous year Sponsors who have come back on board this year and to our new sponsors who have joined us. I ask that our GNFL football community support all our Sponsors if and where you can. You will find all of sponsors here in our budget, so thank you again Sponsors, your support is muchly appreciated.

This year we are trialling something different with our Budgets and taking advantage of technology by using QR codes. We understand that this may not work for some of football supporters, so for those of you that wish to have a printed copy, please speak to a representative from your football club.

I also want to acknowledge the umpiring group this year, Paul Luxton (Umpire Coordinator) and his team of Coaches – Kelly Bennet (Boundary) and Noel Clements (Goals). Please remember to respect all our Umpires, without our Umpires we don't have a game. Anyone interested in umpiring please see Paul Luxton for more information.

Best of luck to all teams playing in today's games.

Every year, about 100 people who aren't wearing a seat belt are killed or seriously injured in a crash.

Look around. That represents about five footy teams.

They could have been your teammates, your family or your friends.

THANK & RESPECT THE UMPIRES

With over 2,100 community football games each weekend, umpires play a critical role in our game.

The WA Football Commission is committed to ensuring that all umpires are respected and thanked for the role that they play in our game each and every week.

You can assist this by:

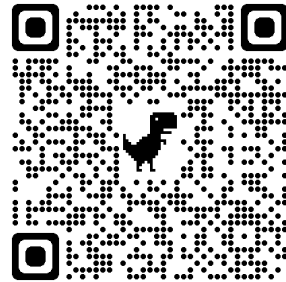

- All coaches thanking the umpires and shaking their hand both before and after every game;
- Speaking with your players and spectators about the important role that umpires play;
- Encouraging all players to shake the umpires hand after the game;
- Support the umpires decisions, and don't react to decisions;
- Ensure that coaches, players and spectators adhere to the WAFC 'True Sport' Codes of Conduct; and
- Show Respect.

Together, the WA Football community can have a significant impact on ensuring positive Game Day Environments for everyone.
